

Personalisation

With imagination, empathy and creativity, we are responsive and supportive to individuals who are making choices and decisions for themselves. We focus on people's wellbeing, we support clients to achieve their goals, enabling them to stay independent for as long as possible by:

- Providing better information to help clients make choices about their care
- Giving clients more control over their care
- Constantly working to improve the quality of care and support given to clients
- Preventing social isolation and promoting wellbeing
- Increasing independence and use of own initiative
- Supporting clients to retain maximum dignity and respect.
- Supporting client to live independently;
- Providing greater freedom to eventually become less reliant of friends and family
- Improving self confidence
- Support to develop social skills
- Enjoying a good quality of life, irrespective of illness or disability;
- Empowering clients to stay healthy and recover quickly from illness;
- Supporting client to exercise maximum control over their own life and where appropriate the lives of their family members;
- Supporting client to sustain a family unit which avoids children being required to take on inappropriate caring roles;
- Supporting clients to participate as active and equal citizens, both economically and socially;
- Increasing opportunities both for learning, social and job prospects.

About Us

Jamores Homes is part of Jamores Limited. We provide quality support and care to clients through our homecare and floating support services. We provide services across children & young people, mental health, learning disability, substance misuse, employment and residential support & care. We believe in achieving positive outcomes, providing the personalised care and support that our clients need and empowering them to make positive changes in their life. We support clients to retain their independence, control and dignity.

We are aware that only through integration, personalisation and responding to the wishes and needs of the people that use our services, will those services remain relevant and effective.

Our Team

We owe our strength to the quality of our staff. Our recruitment strategy - recruiting locally, matching the right staff to the right job; helps us to provide the kind of personalized and responsive support that enables our clients to successfully reside in the community.

Jamores Homes ensures your carers and support workers have the relevant skills, experience and qualifications required to provide you with excellent care through our robust quality assurance system. Prior to commencing employment with us, all our staff undergo an enhanced DBS/CRB check. They receive mandatory trainings and induction.
